G. Consent for Electronic Verification of Identity

The AML/CTF Act requires the Mutual Bank to verify your identity prior to providing a financial product or service. To verify your identity electronically, the Mutual Bank requires your consent for us to provide personal details such as your name, address and date of birth to one of our credit reporting bodies who will electronically match the information against the details including credit file information, held on their database. The Mutual Bank will then receive an overall assessment from the credit reporting body of the matching data which will be used solely for the purpose of verifying your identity, in accordance with the AML/CTF Act.

An alternative means of verifying your identity is available using a documentation-based procedure if you choose not to consent to Electronic Verification.
