- Pay Per Use Transactions - these are charged on a per use basis.

Transaction Fees apply for using a chargeable access method on the following accounts: Everyday Account (S1), Budget Account (S2), Pension Account (S9), Cash Management Account (S10).

## How to avoid fees

We are committed to educating our Members about fees and charges and the options available to conduct low cost banking.

### Unlimited Free Transaction tips

- Use BPAY, Direct Debit, or External Funds Transfers to pay for bills and to make other payments instead of using cheques.
- If you do not need to withdraw cash when making a purchase with your Visa Debit Card, press the 'credit' button.
- Use Phone or Internet Banking services.

### Limited Free Transaction tips

- Instead of withdrawing cash multiple times within a week, try to withdraw enough cash in one transaction to meet your weekly needs.
- Use EFTPOS (by pressing 'savings' or 'cheque') to withdraw cash when making a purchase.
- Pay bills via BPAY or Direct Debit instead of using cheques.
- If you exceed your monthly quota of Limited Free Transactions, use EFTPOS to reduce potential fees, as EFTPOS transactions attract a fee of only \$0.50 and allow you to withdraw cash.

### Pay Per Use Transaction tips

- Avoid using non Commonwealth Bank ATMs where possible, as although the Bank does not charge for these transactions, the operator of the ATM may charge you at the time of the transaction.

Further information on how to avoid fees can be obtained from our 'Our Product Range' brochure. Please call one of our friendly Member Service Consultants on **1300 654 822** for a copy of the brochure, or to ask any questions about fees.

- Charitable organisations related to education that provide proof they are registered with the Australian Taxation Office.
